Social and Cultural Anthropology: A Very Short Introduction

## File Type PDF Socialism A Very Short Introduction Very Short Introductions

provides an account of some of the discipline's guiding principles and methodology. It begins by discussing the most important contributions of anthropology to modern thought: its investigation of culture as a distinctively human characteristic, its doctrine of cultural relativism, and ...

### **Social and Cultural Anthropology: A Very Short Introduction**

Newman's very short introduction has the problem that many of these introductions have in that they must cover very complicated and lengthy terrain in a 100 or so pages. Socialism is duly hard as it is both internally and externally contested as a term, has 200 years of emerging and failing models and critiques, and has probably become even more polarizing in opinions since this book was written.
